

## This year we celebrate our 50th Anniversary!

Yateley Morris Men were founded in 1975 by a group of friends who were keen to join the latest craze to revitalise one of England's most important folk traditions. With the help of dancers from neighbouring sides we quickly built up a reputation for proficient dancing with an entertaining approach. Since then we have regularly danced around the local area and have ventured to folk festivals and other events across the country and into Europe.

We have some special events lined up to mark the occasion as well as our usual programme of Tuesday evening and weekend performances.

Please come along and watch us whenever you can!

*Members of the current side with some of our "old Boys"*

**We are looking for new members! No experience is necessary.  
Come along and give it try. A friendly welcome is guaranteed!**

Our club night is Tuesday plus occasional weekend events. In the summer months we perform in public: outside pubs, at village fetes and farther afield at folk festivals in England and abroad. In the winter months we practice the dances ready for the following summer season. Our practices are energetic, lively and fun. Get active and enjoy a vibrant tradition!

Note that we are a men only club but we can point anyone else to local mixed and female sides.
