

Morris Dancing is Fun!

Morris Dancing is England's traditional folk dance and has been performed for hundreds of years. Yateley Morris Men perform traditional Cotswold Morris dances which mostly originated in the villages of Oxfordshire and Gloucestershire.

It's fun, it's entertaining and it puts a smile on peoples faces. We enjoy dancing at pubs and fetes and special occasions, and we love the reaction we get when people see us leap about with our jingling bells waving our sticks and hankies. It brings pleasure to those who perform and to those who simply enjoy watching the show

We are looking for new dancers & musicians!
No experience is necessary. Come along and give it try.
A friendly welcome is guaranteed!

Our club night is Tuesday plus occasional weekend events. In the summer months we perform in public: outside pubs, at village fetes and farther afield at folk festivals in England and abroad.

During the winter months in Yateley we practice the dances ready for the following summer season. Our practices are energetic, lively and fun. Get active and enjoy a vibrant tradition!

Note that we are a men only club but we can point anyone else to local mixed and female sides.
